Mount Saint Joseph Academy educates the whole person according to the Gospel of Jesus Christ. The class of 2020 dedicates this yearbook to

# Mr. Stevens

In recognition of all the hard work that Mr. Stevens does for each and every member of the class of 2020, we want to dedicate this book to him. His constant hard work, his willingness to be there, and his dedication to making sure everything needs to get done has made him such an important part of our MSJ experience. He kept us calm, on track, and focused on getting to our goals. He has always been there for us, and when he was injured with the ski team this year, we all were waiting anxiously for him to return! (And we're very glad that he's recovered well!)

Thank you, Mr. Stevens, for everything you've done for us. Our MSJ experience would not be the same without you.

# Editor

What a year this has been! A new principal, a handful of new staff members, and a swing at online learning, MSJ has taken quite a few curveballs. But as Mr. Alexander said at the beginning of the year, change is a natural part of life that ought to be embraced. I'm grateful for this school because I am continuously offered new opportunities, kindness, and acceptance. Last year I discovered my passion for the yearbook committee, and I was so excited to receive this position. I had no prior knowledge of yearbook development, but with time and assistance, I quickly caught on to the process. Now more than ever, people value the art of capturing the moment. That's exactly what our team strives to do. A majority of our team is new but creative and hardworking nonetheless. I hope many of them join next year! I'd like to thank Mr. Bartenstein and all members of the committee for making this possible. I also want to thank Jostens for providing us with their platform, and you, the buyer, for supporting us. Go Mounties!

Sincerely,  
Pearl Bellomo '21
